## RECOMANDARE

Subsemnatul Cetacli Dan Stefan avind functia de Director program in cadrul S.C. Termoelectrica S.A., in perioada 2004 – iunie 2007 si in prezent Director General al S.C. Termoserv-Bucuresti S.A., filiala a S.C. Termoelectrica S.A., ca urmare a faptului ca in cursul anului 2005-2006 si pina in iunie 2007 , am monitorizat derularea a doua cauze arbitrare internationale privind proiecte de reabilitare in domeniul energetic in care interesele Termoelectrica , au fost si sunt reprezentate de firma de avocatura « Cobuz si Asociatii » , sunt in masura prin prezenta sa recomand aceasta firma de avocatura dupa cum urmeaza :

- avocatii ce au facut parte din echipa au fost Alina Cobuz , Beatrice Tripsa si Jeannine Marzacu ;
- cele doua procese de arbitraj reprezinta litigii internationale , cu valoare insumata de peste 17 milioane euro , ca urmare a derularii unor contracte internationale pentru proiecte de reabilitare a unor grupuri energetice ;
- aceste procese , dat fiind gradul lor de complexitate , au implicat o pregatire deosebita , o interactiune permanenta a echipei de avocati cu clientul , echipa ce a dat dovada de dinamism , putere de decizie , creativitate si profesionalism ;
- precizez ca am fost informati permanent de stadiile de derulare a procedurii internationale , putand astfel lua decizii in calitate de client , in cunostinta de cauza .

Consider ca aceste aspecte si nu numai , recomanda societatea de avocatura , din perspectiva experientei in cauze comerciale internationale .

### RECOMMENDATION

The undersigned Cetacli Dan Stefan, as Program Director with S.C. Termoelectrica S.A. during 2004-June 2007, currently Director General of S.C. Termoserv-Bucuresti S.A., a subsidiary of S.C. Termoelectrica S.A., after having monitored two international arbitration cases during 2005-2006 until June 2007, concerning rehabilitation projects in the power field, where the interests of Termoelectrica have been represented by the Cobuz si Asociatii Law Firm, I find myself in the capacity of hereby recommending the said Law Firm as follows:

- The team of counsellors consisted of Ms. Alina Cobuz, Ms. Beatrice Tripsa, and Ms. Jeannine Marzacu;
- The two arbitration files are international disputes totaling over EUR 17 million, arising out of international contracts concerning projects for the rehabilitation of power groups;
- These intricate files implied special preparation, ongoing contact of the team of lawyers with the client; the mentioned team proved to be dynamic, to have decision-making ability, to be creative and professional;
- I mention that we, the client, were permanently informed on the stages of performance of the international proceedings and were, thus, able to make informed decisions.

I deem such aspects to recommend the Law Firm aforementioned thanks to its expertise in in international commercial cases.
